Annual Conference
GRADUATE STUDENT POSTER SESSION
Birmingham, AL
November 18-20, 2009**

The ALCA Graduate Student Committee is pleased to coordinate the annual Graduate Student Poster Session. The Graduate Student Poster Session is an excellent opportunity to recognize the outstanding work of our Masters, Education Specialist and Doctoral level students. This session is scheduled for 1:30pm – 3:30pm on Thursday, November 19, 2009.

The session can feature original research, literature reviews, and projects that reflect innovative and/or unique contributions to knowledge pertaining to training, treatment, assessment, or theory in the field of counseling. **The information is to be mounted on a poster that can be easily displayed on a table. The content on the poster should allow for ease of reading.**

The student will not make a formal presentation, but will stand with the poster and interact with participants individually. This will allow the student to have more meaningful discussions pertaining to his/her research. **Each student should bring at least 50 handouts that summarize the information on his/her poster and include a bibliography.**

Nominations may be submitted by regular mail or e-mail **no later than Friday, October 2, 2009**, and should include the following information:
